

TAFE QUEENSLAND

SUPPORTING LOCAL COMMUNITIES

WITH THE VOLUNTEERS AND EVENTS TRAINING PROGRAM

FREE TRAINING

TAFE Queensland has free Volunteers and Events Training available for your community.

The Volunteers and Events Training Program is part of the Queensland Government's Tourism Recovery Package, providing free training for volunteer and paid event organisers in disaster-affected communities.

The training will benefit any community organisation with volunteer involvement –from events and festivals to sporting clubs and community support groups. The training is designed to increase the skills of volunteers to deliver activities in their communities by building on resilience and leadership skills.

This training has been proven to give volunteers a better understanding of the importance of their role in the community, including ways to be more effective in their volunteer roles.

With both face to face and online training options now available, there's never been a better time to get started.

Training Topics

- Orientation
- Resilience
- Leadership
