Please have forms returned by FRIDAY December 7th

This school holidays we will be trying to *beat the heat* and celebrate the festive season as often as possible and I'm hoping there's a variety of activities to cater for all age groups and interests.

A trip to Mount Isa to go to the movies and watch *The Grinch* will be going ahead on the Thursday of the first week. The session times for the cinema aren't available yet but once these are released I will notify parents. The cost will be \$15 which will cover travel and admission but please bring along your own lunch or extra spending money to buy your favourite movie snacks. Another movie marathon will take place in the second week so don't forget to bring your snacks and water bottle as well as something comfy to lay on.

The usual afternoon swim will be on the cards for everyone to cool down so please remember your togs (with a swim shirt), hat, water bottle and any spending money you may need to buy some snacks from the canteen. Also, the 21st December will be our Christmas Break Up for the year and it would be great to see as many families there as possible to share some Christmas cheer! Please confirm how many people will be attending when you return the permission form.

We will also be doing some cool *Fluid Art* (photos and links below) and the usual Christmas crafts as well as cooking yummy Christmas Treats and our very own lunch the following week. Please make sure you wear some old clothes for the crafts day as things could get messy!

Hope to see a few faces around these school holidays so please remember to return your permission forms before December 7.

If you have any questions or concerns please don't hesitate to contact me on 0437 011 808 or 4746 7166.

Kind Regards,

Kalan Lococo
