

Community Clubs Capacity Building Roadshow

Your club is very important for our community.

It connects our neighbourhood, providing social as well as physical benefits.

We would like to help by offering information that will assist your club to develop into a strong and sustainable organisation into the future.

The Glencore Overlanders Way Festival of Sport has been developed to offer community sports clubs a range of support. Included in the itinerary is the Community Clubs Capacity Building Roadshow will be the how to.

- How to identify your club's profile
- How to measure your club's capacity
- How to plan and prioritise areas of improvement
- How to and where to find resources
- How to effectively understand Grants (guidelines and acquittals)
- How grants are assessed and what your club needs to consider to be successful

Presenters include Queensland Governments Sport and Recreation regional Advisors and Renee Madsen from Create and Evaluate. The topics will be presented and workshopped providing a very unique experience for club Managers, Secretaries, Treasurers, Presidents and Volunteers.
