PART 4 – Trustee Lease Land Policy

Trustee Lease Land Policy

1. POLICY STATEMENT

McKinlay Shire Council (**Council**) as the Trustee of various pieces of State land and holdings (**Trust Lands**), is authorised under the *Land Act 1994* (Qld) (**Act**) to issue and administrate secondary uses of Trust Lands on behalf of the State within the Council Boundaries.

This Policy has been developed to clearly define the circumstances in which secondary uses of Trust Land will be permitted, and existing uses managed including minimum rental formulas. It also provides for the requirements of the Act and its Regulations.

2. PURPOSE AND OBJECTIVES

The purpose of the Policy is to promote rural based industry and liveability through the approval of acceptable uses of its Trust Lands across the Shire as part of Councils Community Development objectives.

Council recognises that the legitimate secondary usage (for example, grazing) generates revenue for both Council as the Trustee of the Trust Land and the user (as Trustee Lessee, or Trustee Permittee), and this has a flow on effect to the community through the operational activities of the Trustee Lessee.

Under Section 104(4) of the *Local Government Act 2009* (Qld), Council must follow sound contracting principles when considering applications to dispose of a large non-current asset (such as by way of a Trustee Lease under a tender program), which include:

- (a) value for money;
- (b) open and effective competition;
- (c) the development of competitive local business and industry;
- (d) environmental protection; and
- (e) ethical behaviour and fair dealing.

3. CONDITIONS

3.1 TERM OF TRUSTEE LEASES

The term of the trustee lease under this Policy is 7 years.

3.2 DETERMINING AN APPROPRIATE RENT FOR TRUSTEE LEASES

In order to determine an appropriate rent for the secondary use of Trust Land, the agreed rental is to be established with consideration of the above Community Development objectives for the Trust

Land and community benefit. Accordingly, in light of the above, the most appropriate rent is to be charged having regard to both the use of the Trust Land and community benefit.

The rent charged for any Trustee Lease or Trustee Permit shall be consistent with:

- the usage of the land ;
- the benefit to the community; and
- the long term sustainability of the activity to be undertaken
- as well as the required recoverable costs of supplying services (for example, water) to the Trustee Lessee or as the case may be, Trustee Permittee.

A peppercorn rental (minimal rent) is not considered appropriate as it holds no benefit to the community or the Council as Trustee.

3.3 MINIMUM RENTAL FORMULA

The Minimum Rental Formula is as follows:

- a base on the Dry Stock Equivalent of the Trust Land; and
- include of an administrative cost of \$165.00, plus any other additional charges directly applicable to the Trust Land such as extra/excess water charges (for example).

4. PUBLIC ACCESS

Access by the public to community purpose land (for example waste and other facilities) must be with the written consent of the lessee to ensure effective biosecurity planning. The lessee must maintain and protect the community purpose of that land.

Council will hand over the Trust Land to the appropriate Trustee Lessee or Trustee Permittee with fencing (both boundary and where applicable, internal) in reasonable order and it must be kept to a similar standard.

Council reserves the right to inspect the Trust Land with notice at least on an six (6) monthly basis.

Damage of fencing for security and safety purposes must be reported to the Council as Trustee. If this damage has occurred due to the negligence of the Trustee Lessee or Trustee Permittee, then the burden of cost in relation to the repair of the fencing remains with the Trustee Lessee or Trustee Permittee. If damage has occurred in relation to an insurable event Council must be notified as soon as possible due to its vested interest as Trustee.

- (e) the Applicant/s must have a good land management plan including the control of pests and weeds for the usage of the Trustee Lease holdings;

 - (c) undertakes to the trustee that with the Trustee Lessee the Guarantor will be jointly and severally liable for the payment of Rental and other monies and for any loss or damage suffered by the Trustee as a result of the Trustee Lessee's failure to observe and perform the Trustee Lessee's obligations under the Trustee Lease.
