

Community Benefit Assistance Scheme Guidelines

The Community Benefit Assistance Scheme assists community based groups and organisations to provide programs, activities, events and projects that enrich the lives of McKinlay Shire residents. The Community Benefit Assistance Scheme is available on an annual basis, with one to two funding rounds per financial year.

Before submitting an application form, please read all the information contained in the Community Benefit Assistance Scheme Guidelines.

All applicants must contact Council Community Services Team Leader for a mandatory meeting before submitting an application to discuss their application prior to submission to ensure eligibility and that all relevant attachments are presented.

Council staff members cannot complete application forms on behalf of an applicant but can provide direction, advice, and answer any general questions that will not give unfair advantage.

Submitting an Application Form

Applications will be accepted from each funding stream per funding round, however the group/organisation must indicate their priority of the applications, as the level of assistance available is limited by Council's annual budget. No applicant can be guaranteed funding nor can any applicant be guaranteed to receive the full amount requested. Applications must be received by the close of business of the advertised closing date to be considered.

Applications can be submitted by post or email to:
