### Conditions for participation:

- If the Property Owner or Occupier is not available to collect the treated baits –
- An **Authority for Agent to Sign Form must** be completed and faxed or e-mailed to Council or handed to baiting staff. Council will provide staff to apply a vertebrate pesticide to the prepared meat baits at the locations specified in the table.
- A plane will be available for the distribution of prepared baits if required.
- Landholders are required to have baits cut into **125-250gram sizes for dog baits** and **500gram for pig baits**.
- All landholders shall have their baits cut and ready for pesticide application by the start times indicated in table.
- **No rotten meat will be treated during the program.**
- Property owners or persons responsible are **required** to accompany the pilot to distribute baits ensuring effective distribution. A property map with GPS coordinates of desired bait areas is to be provided.
