4. SPECIAL RATES AND CHARGES

4.1 Pest Animal Control Levy

In accordance with Section 94 of the *Local Government Act 2009* and section 94 of the *Local Government Regulation 2012*, the Council shall levy a special charge for the provision of pest control services to certain rural properties in the Shire.

It is considered that the properties subject of the charge specially benefit from the provision of pest control services, because the services assist with the control of wild dogs which can reduce the threat to livestock.

The special charge shall be levied on all rateable land included in differential rate category 7 – Rural which exceeds 1,000 hectares in area. For this financial year, the charge shall be \$0.01827/ha per annum or \$0.009135/ha per half yearly levy.

Overall Plan

The Overall Plan for the Pest Animal Control special charge is as follows:

1. The service, facility or activity is provision of pest control services to certain properties in the rural parts of the Shire. These pest control services serve to assist with the control of wild dogs which can reduce the threat to livestock.
2. The rateable land to which the special rate shall apply all rateable land in category 7 – Rural which exceeds 1,000 hectares in area.
3. The estimated cost of carrying out the overall plan is \$80,000.

2026 – 2027 REVENUE STATEMENT

- The timeframe for carrying out the overall plan is twelve (12) months ending 30 June 2027.

5. UTILITY CHARGES

5.1 Water Charges

Council provides reticulated water services to properties located within the towns of Julia Creek, McKinlay, Kynuna, Nelia, Gilliat and Oorindi.

For the financial year, Council resolves to levy a utility charge for water services on all parcels of land within the defined service area for water services which are connected to the water network or are capable of being connected to the water network.

The charge as a 2-part charge, comprising:

- an Access Charge, which shall be levied on all parcels of land, including vacant land, within the defined service area irrespective of the volume of water used or whether the land is connected to the water network; and
- a Consumption Charge will be calculated according to the parcel description as defined in the Water Charges Schedule as set out in this section of this statement. This charge shall be levied on all parcels of land, including vacant land that is connected to the water network within the defined service area

As consumption is not measured by water meters, the Council has sought to determine what each consumer's likely water usage would be. As such, the Consumption Charge shall be calculated:-

- For all parcels of land other than those which are specifically identified, according to the number of units set out in Water Charges Schedule.
- For the assessments which are specifically identified, according to the fixed unit set out in the Water Charges Schedule.

For the financial year, Council resolves that the charges shall be as follows:-
